

Component # 13: First Time Offender Program

The First Time Offenders Program is a 6 – 12 weeks program – 1 hour per week, as funds are available, designed

- (1) to correct errors in thinking in first time, early onset, or inexperienced juvenile offenders
- (2) to educate these first time offenders in the extreme difficulty in further involvement in the Texas Juvenile Justice System, and
- (3) to offer and teach positive alternatives and thought processes for a successful future.
