We at LIGHTHOUSE 2911 are proud to announce that we have begun the process of putting together the LIGHTHOUSE 2911 Equine Facility. We all know how important it is to offer activities for our youth and our community. This equine facility will teach participants self-respect, discipline, responsibility, and self-confidence. The equine facility will be on property 2 miles west of Edna on Hwy 111. We will serve youth from the Golden Crescent Area through 4H clubs, social clubs, referrals and other individuals. We plan to teach history of the equine and how to handle and take care of the horses. This is one of those endeavors as large as we can dream, but very achievable with your help.

Your support in our efforts is greatly needed. To help build our stables, we are going to need the following:

- 120 each 36"x12' R panels @ 25.00 ea.
- 160 each 36"x10' R panels @ 20.00 ea.
- 30 each 6"x6"x16' treated posts @ 35.00 ea.
- 30 each 6"x6"x14' treated posts @ 32.50 ea.
- 200 each 2"x6"x14' treated boards @ 8.00 ea
- 200 each 2"x6"x12' treated boards @ 7.45 ea.
- 200 each 2"x4"x12' treated boards @ 6.00 ea.

I know when you look at it on paper, it looks like a daunting task, but here at LIGHTHOUSE 2911 we strive to achieve the unbelievable task of changing lives. Anything you can do to help us reach our goals is extremely important to our communities and the participants we serve.
